

Change a life. Change your community.

We all have something to give, and Valley of the Sun United Way ensures that it adds up to real change in our community – one success story after another. Your dollars may inspire a teenager to finish high school, or help a single mom find a job or provide a meal to a hungry senior citizen. One gift can do so much. Make yours today. [See how you can help at vsuw.org](http://vsuw.org).
